Problem-Solution Fit Canvas:

The canvas below maps how FinRelief AI addresses the root causes, behaviors, and limitations of borrowers struggling with overdue debt.

1. CUSTOMER SEGMENT(S) [CS] - Borrowers with overdue personal or consumer loans - Individuals with irregular income facing repayment difficulty	6. CUSTOMER LIMITATIONS [CL] - Limited financial literacy to negotiate with lenders - Limited time/access to legal or financial advisors	5. AVAILABLE SOLUTIONS [AS] - Manual negotiation with lenders — time-consuming, inconsistent - Credit counseling services — costly, limited availability
2. PROBLEMS / PAINS [PR] - Rising EMI burden and overdue penalties (recurring monthly) - Uncertainty about a fair settlement amount	9. PROBLEM ROOT / CAUSE [RC] - Lack of visibility into personal financial health - No accessible tool to draft a professional negotiation request	7. BEHAVIOR [BE] - Avoids contacting lenders directly out of anxiety (high intensity) - Delays action until overdue penalties escalate
3. TRIGGERS TO ACT [TR] - Missed EMI notice or overdue reminder from lender - Noticing rising debt stress on the dashboard	10. YOUR SOLUTION [SL] FinRelief AI: automated financial health scoring plus Gemini-powered, lender-ready negotiation letters and settlement recommendations	8. CHANNELS OF BEHAVIOR [CH] ONLINE: Web dashboard, email to lender
4. EMOTIONS BEFORE / AFTER [EM] - Before: anxious, overwhelmed, unsure of next step - After: reassured, in control, confident to negotiate		OFFLINE Phone call or in-person visit to the lender using the AI-generated letter as a script
